

10 years as Mr and Mrs

Joey,

For sixteen years you have been by my side loving me, supporting me, and giving me unconditional gift of friendship and partnership. Within our ten years of marriage are many journeys of courage, magic and passion. Without any doubt in my mind you have been destined to be mine and our roads lead us directly to one another. You complete me, and together we have it all.

Happy 10th anniversary. Love you!

Ania
