

Joey - my husband - my strength

22 years ... 5 months ... 5 days ago you walked into my life and everything has changed. This is our 22nd Christmas we are celebrating together. Each year, we grow stronger and find new ways to see the magic around us. We support one another and we believe in each other's dreams. You are the partner in life that God knew my soul needed. I don't know what 2022 has in the store for us, but my wish is that I can somehow help to ease your troubles. We will climb every mountain together. We will find our way. Our troubles of today are temporary. Together, we will rebuild our finances in 2022; we will strengthen our home; and we will have one sexy marriage. Thank you for dating me in the dining room. Don't forget - you are loved, you are needed, you are desired.

**I LOVE YOU MR. FIDDY!!
